Subject: Approval of Reclamation Surety, Reclamation Contract, and Amendment to Notice of Intention to Commence Small Mining Operations; Scott Higley; Two More Feet Operation; S0130007; Task 1724; Duchesne County, Utah

Dear Mr. Higley:

On May 10, 2007, the Director of the Division of Oil, Gas and Mining signed the reclamation contract for the Two More Feet Project Notice of Intention to Commence Small Mining Operations, file number S0130007. You now have Division approval of the form and amount of surety for the above referenced site. A copy of the executed reclamation contract/surety is enclosed for your records.

The Division has reviewed the amendment to your Notice of Intention to Commence Small Mining Operations (NOI) submitted March 28, 2007, and finds it complete. This amendment reduces the size of the permitted disturbed area from five acres to less than one acre.

If you have questions or concerns regarding this letter, please contact me at (801) 538-5325 or Paul Baker at 538-5261. Thank you for your help in completing this very important regulatory requirement.

Sincerely,

Daron R. Haddock
